For *Chief Electrical Engineer.*

Subject—Regarding collections towards His Highness the Maharaja's Silver Jubilee Fund.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 99f *dated* 18*th July* 1927.

To—All Deputy Commissioners and Treasury Officers.

Instances have come to the notice of the undersigned in which collections remitted to the Treasuries on account of H. H. the Maharaja's Silver Jubilee Fund have been kept in the Savings Bank account in the name of the Local Committee or remitted to the District Committee or the Mysore Bank by means of Remittance Transfer Receipt. Such procedure is not in conformity with that prescribed in this Office Circular No. 99—T. A. D. B., dated 18th May 1927 *viz.*, to credit all collections to the account head "19. Other Deposits, His Highness the Maharaja's Silver Jubilee Fund" and to send weekly statements of credits to this office; on receipt of which this office would make payment of the total collections to the Bank of Mysore. Such procedure at variance with the instructions issued by this office should not have been issued by certain Deputy Commissioners who have done so and should not have been adopted by treasury officers. Treasury Officers are therefore informed that they should follow strictly the instructions issued by this office and not make payments by means of Remittance Transfer Receipts or keep the collections in the Mysore Bank or outside the accounts and should invariably credit them to the head indicated as per Circular instructions of this office. They should also send the weekly statements with the challans to this office with the greatest promptitude.

S. SHAMANNA,
Comptroller.
